

In case you haven't heard of us before, we are:

The MOPAR MUSCLE CLUB OF SAN ANTONIO

www.moparmuscleclub-sa.org

The club is dedicated to the interest and preservation of Mopar products (Dodge, Plymouth, Chrysler, DeSoto, AMC, Jeep, and Eagle). Muscle cars are not the only Mopar vehicles welcomed into the club; we can appreciate any old or new Chrysler product, or a nice slant-six just as much as a muscle car. And don't be embarrassed if your car is not quite finished or if you are just getting started. Most of us have been there (or still are there) ourselves.

Club meetings are currently held at 3:00 p.m. on Sunday afternoons at the Pig Stand Restaurant (1508 Broadway, near I-35/Hwy 281 overpasses, just northeast of downtown). Meetings are generally held the 3rd Sunday of every month. (Date and location of meetings are occasionally moved for special events.) Topics discussed at our regular meetings include cruises, parades we have been invited to drive in, other organizations' car shows, and our own annual car show. Special get-togethers such as picnics and car washes are also organized at the regular meetings. They are also a great opportunity to talk with other Mopar owners, who may know where to find that part you need or how to fix that problem you have not been able to solve. Finally, the meetings are a good excuse to get your Mopar out and show it off!!

Membership is \$10 per year. Members receive our quarterly newsletter, may place for sale or wanted ads in the newsletter at no cost, and also receive other benefits such as discounts with Year One. You can sign up for membership at any club meeting, or complete this form and mail it to us.
